

Buoy Insurance Coverage

Buoy's usage-based insurance policy, designed to protect renters and rental companies during the rental, gives you peace of mind when you set sail. Moreover, Buoy's insurance policy ensures that livery operators comply with the Florida Boating Safety Act of 2022 (SB606), requiring insurance coverage to be at least \$500,000 per person and \$1,000,000 per occurrence.

Buoy Usage-based Insurance Policy

We're here to ensure your trips are well-protected with our tailored Usage-based Insurance Policy underwritten by Markel Insurance Company. This policy is designed for commercially insured boats and provides comprehensive coverage throughout the bareboat rental period. The Usage-based Insurance Policy offers substantial liability protection, including \$500,000 per person and a total liability of \$1,000,000 per occurrence.
